

The King's Academy Partner Program

At The King's Academy, no student is turned away for lack of funds. Our Partners make this possible.

Partner Funding Model

Partner Giving

- \$15,000 full sponsorship**
- \$7,500 half sponsorship**
- \$5,000 team sponsorship**

See tkadallas.org/donate to donate online or for other ways to give.

How It Works

1. Give

Partners provide 70% of the cost of education for one or more students.

2. Pair

Partners are then "paired" with students, and invited to meet face-to-face.

3. Engage

Partners are invited to two Partner Day events annually to interact with students and hear inspiring stories.

4. Impact

Partners receive hand-written student thank notes, newsletters, and other insider updates.

5. Share

Partners multiply their joy by sharing The King's Academy with friends at a monthly tour or annual Spring Partner Day.

Frequently Asked Questions

What is a Partner?

At The King's Academy, Partners are donors who financially sponsor one or more students to attend The King's Academy.

What does my Partner gift cover?

Partner gifts offset 70% of the cost for one student to attend The King's Academy per year.

Who provides the rest?

The other 30% is made up of gifts from Friends of TKA who are giving at levels under \$5,000 to directly support operational needs such as textbooks, uniforms, breakfast and lunch daily and more. Additionally, all parents have "skin in the game" and together contribute approximately 5%.

How long do Partners commit to give?

More than 95% of our Partners renew their giving annually. Some may choose to sponsor their student(s) through graduation.

Is there a best time to give?

Each year, we aim to start the school year in a strong financial position. We ask Partners to give before the school year if possible, but we'll gladly accept gifts at any time!

Is my gift tax-deductible?

Yes! The King's Academy is a 501(c)(3) non-profit organization. All gifts are tax-deductible.

Can I give my student a gift?

Any personal gift giving would need to be arranged through the school office. You are welcome to write a note to your student, or arrange a time to bring treats for his or her class.

Will I receive anything from the student I sponsor?

Each spring, you'll receive a prayer card with your student's picture, a personal thank you from your student, and a comment from their teacher. You'll also receive a hand-made gift from your student each school year.

Besides giving, are there outside requirements for Partners?

No. We invite Partners to meet the student they sponsor, attend Spring Partner Day event or our annual Christmas Program each school year, and share the The King's Academy with their friends.

Do Partners mentor students?

No. We have separate volunteer programs you can join, if interested.

Can I visit my student?

We invite Partners to visit the student(s) they sponsor at two events each school year, typically late-May and December. If you're unable to attend, please contact us to arrange another time!

Can I take my student to a sports game, show, etc.?

We're happy to arrange visits at The King's Academy but are unable to coordinate off-site visits for Partners and students for liability reasons.

Do Partners interact with families?

Families are deeply grateful for the financial support they receive but typically aren't able to meet their child's Partner.

Where do students come from?

The King's Academy primarily serves families in the Bonton/South Dallas/Fair Park area. Students often hear about The King's Academy through family, friends, coaches, pastors, and community contacts.

What if my student leaves?

The King's Academy serves a low-income, underserved community. We work hard to build strong relationships with families and have high student retention compared to other schools. Should a student leave, we pair Partners with another student in need of a sponsor.
